175	Less road works Better paths as they are dangerous with uneven surfaces	8/20/2026 5:24 PM

176	More frequent buses to Alexandra park The north Wroughton bridge across the motorway to be put back to two lanes each side it is ridiculous that it's been reduced to one lane each side just because of suicides off the bridge, if you look at all other bridges over the motorway between J15 & J16 there are loads of bridges without any safety/suicide barriers	8/20/2026 5:05 PM
