#	RESPONSES	DATE
1	Rather as it is with better roads	9/25/2026 9:28 PM
2	Lots more trees and woodland and places to relax and walk (dogs) and cycling.	9/25/2026 12:11 AM
3	Retaining individuality	9/22/2026 4:50 PM
4	I don’t want to see the parish grow any larger. I don’t want to see any additional development on green space, only on brownfield sites. We need to protect our green spaces and plant more trees and wildflowers	9/22/2026 2:43 PM
5	Separate from Swindon! No more development. Leave it alone to be a village. Fix the bloody bridge!	9/22/2026 12:39 PM
6	I would hope it is still separate from Swindon.	9/22/2026 10:33 AM
7	Local rail connections - part of a route that connects back into the main line. Reliable, frequent, affordable public transport. More accessible. 'Green'. Resilience against weather and climate change. Canal connected to the wider network. More GP facilities. Established/ flourishing green spaces/ wildlife and biodiversity.	9/21/2026 9:59 PM
8	Less congested. Retained green spaces. Calm - not an urban jungle. Housing with more outside space and bungalows esp. for OAPs, not flats.	9/21/2026 9:39 PM
9	Wroughton still a village with own identity	9/21/2026 8:59 PM
10	Keeping a village look and clean	9/21/2026 7:58 PM
11	No larger	9/21/2026 7:49 PM
12	To have it's own identity. To have reliable health care and to have green spaces.	9/21/2026 5:53 PM
13	Cleaner, and tidier.	9/21/2026 1:31 PM
14	Much the same as now. Wroughton is an established village and has a separate identity to Wichelstowe.Ma	9/21/2026 1:26 PM
15	No more extended estates. Less road works. Better shops/ restaurants and same pubs still open	9/20/2026 11:03 PM
16	More shops and amenities	9/20/2026 9:47 PM
17	A safe, tidy and friendly place where all generations can live happily together.	9/20/2026 9:10 PM
18	self sustaining with more shops and businesses	9/20/2026 8:41 PM
19	Separate for Swindon with its own identity, character, heritage and community	9/20/2026 8:29 PM
20	How could anyone answer that question without writing an essay?! I'd like Wroughton and witchelstowe to be separated, they are two very separate areas, quite distinct from one another. More community events, tidying up the Wroughton parish, helping one another out, a greater sense of community. There are definite pockets of community, but Wroughton has grown so much in recent years, its more a town than a village (many more residents than Hungerford, for example). It needs nicer/a bigger range of shops, not convenience type shops, more independent nic nac type shops. Nice shops that bring people in. It would also be nice to have a bigger cafe, one that is welcoming and well run, like the beehive but bigger. But thats a wishlist!	9/20/2026 5:05 PM
21	Wroughton to be no bigger in size as it is now	9/20/2026 3:53 PM

22	Wroughton and Wichelstowe should be separate entities in there own right. Wichelstowe should have it’s own Parish Council.	9/20/2026 1:48 PM
23	Green, natural, happy,	9/20/2026 12:08 PM
24	Much as it is now with limited new development and improved infrastructure. North Wroughton, the eastern boundary and Wroughton as a village would be detrimentally changed forever if further development is permitted.	9/20/2026 9:36 AM
25	Like a village with character	9/20/2026 8:31 AM
26	I would love it to look healthier. Farmers producing more plants, less dairy and meat. More cycling/walking routes . Better flood prevention. More community building	9/20/2026 8:03 AM
27	More trees and hedging rather than fencing. Restriction on poor shop signage.	9/19/2026 9:14 PM
28	Two communities each with their own identities and each with their own centre while maintaining separation from the other community and from Swindon	9/19/2026 8:32 PM
29	Green/open. More shops. Improved highstreet with more shops, cafes, cleaner, better aesthetically.	9/19/2026 8:03 PM
30	Wichelstowe separate to Wroughton. It's just a huge housing estate whereas has a long history.	9/19/2026 7:48 PM
31	Pretty much the same but better looked after, want people to be proud of the village and look after their bit.	9/19/2026 7:06 PM
32	Stop building in Wroughton to keep its village feel and separate from Witchelstowe	9/19/2026 6:51 PM
33	I would like Wroughton to maintain its village identity.	9/19/2026 2:27 PM
34	Separated	9/19/2026 1:55 PM
35	Clean and well maintained with infrastructure that supports the community to keep it that way and take pride in where they live.	9/19/2026 11:39 AM
36	I would like them to remain separate communities, from each other and separate from Swindon.	9/19/2026 11:37 AM
37	Witchelstowe isn't wroughton, It belongs to swindon,	9/19/2026 9:02 AM
38	Not any bigger! Better surgery and chemist. More shops and another cafe. Maybe a petrol station down wharf Rd. More trees 🌳 in areas not used. Less traffic down Priors Hill by closing access up by Thorney park.	9/19/2026 7:56 AM
39	Green still!	9/18/2026 10:57 PM
40	Integration of green spaces to urban areas No excessive development of unaffordable housing	9/18/2026 9:47 PM
41	Neater roads with fewer potholes. More lighting (and preferably designed not to disturb nocturnal animals .i.e. yellow/orange tinted bulbs, shades above so that the light only shines downwards onto the pavement and not into the sky)	9/18/2026 9:08 PM
42	Another health facility... or two.	9/18/2026 8:56 PM
43	Green, well lit, pretty all year round, and with the population not greatly increased	9/18/2026 8:02 PM
44	Wroughton is a village of its own. Why do we have to have Wichelstowe as part. Keep Wroughton separate. Our village has never look more neglected since Wichelstowe	9/18/2026 7:55 PM
45	Able to cope with climate changes that will happen. Better healthcare provision	9/18/2026 7:46 PM
46	Less traffic, speeding to be looked at, more doctors appointments	9/18/2026 7:18 PM
47	Wroughton - no more development and separate parish from Wichelstowe	9/18/2026 6:34 PM
48	I should be dead by then so a nice bench lol	9/18/2026 6:33 PM

49	Having lots of green spaces. keeping areas for wildlife to thrive, as well as being able to enjoy these areas too. The canal can play a big part in this, making sure there are lots of green parts along side it. keeping some of the old character of Wroughton as well as bringing in the new. More sculptures and art/design to be used when making newer parts as well as refurbushing some of the old parts that need to be uplifted. Being able to still see the countryside and lovely views not to far away.	9/18/2026 4:33 PM
50	A lot like it is now, but with nicer paths	9/18/2026 4:20 PM
51	Like a village	9/18/2026 3:59 PM
52	Preserved green spaces. Improved road network. Updated local facilities.	9/17/2026 2:15 PM
53	With all of the building and houses planning to be built here, I think I would expect to see a proper supermarket, another doctors surgery and for more community events.	9/17/2026 1:55 PM
54	A village that our children can afford to buy housing in	9/17/2026 1:26 PM
55	Still a village not part of Swindon	9/17/2026 1:06 PM
56	Better safety intoduced on- roads & footpaths. Address why no police presence regularly seen in the Parish currently unless they are called to an emergency or incident. Better facilities to enjoy being out in the community rather than travel outside.	9/17/2026 11:57 AM
57	I would like us to still have our village community without being taken over !!!!!	9/17/2026 11:25 AM
58	Safer roads with small independent shops	9/17/2026 10:11 AM
59	Much the same. However, it does need a secondary doctor surgery, cheaper supermarket and provisions for elderly and disabled people	9/17/2026 7:40 AM
60	Not swallowed up by Swindon! It is a large village but still has its own identity	9/16/2026 8:51 PM
61	I would like Wroughton to be its own self we are a village	9/16/2026 8:34 PM
62	It would be good to get the concrete boulders and barriers off the flyover. The entrance to Wroughton is dire and brings the whole area down.	9/16/2026 7:45 PM
63	Pretty much as it does now housing wise but with improved healthcare facilities to meet everyone’s needs. Improved parks for older kids. Tennis courts et. Still holding all the events that make our village special.	9/16/2026 7:21 PM
64	Green. Lovely. Peaceful. No traffic lights on brimble hill, and a fixed wall	9/16/2026 6:06 PM
65	More joined up, it appears very much them and us and separate at the moment.	9/16/2026 5:30 PM
66	More doctors surgeries and local amenities	9/16/2026 3:46 PM
67	Better paths and infrastructure Dentist and doctors and pharmacy in Wichelstowe Joined up canal Protect the bus services	9/16/2026 1:42 PM
68	To be 2 different places	9/16/2026 1:24 PM
69	I love it as it is	9/16/2026 12:53 PM
70	With GP/heath care/ nhs dental facilities in Wichelstowe, taking the 'load' off RVFP and improving access for all.	9/16/2026 12:51 PM
71	No more houses, update/improve buildings already in the village ie old co-op site and fish and chips shop are both eyesores and such a shame to see what was a lovely building be left so look so scruffy	9/16/2026 12:00 PM
72	More healthcare provision and less traffic/pollution	9/16/2026 11:42 AM
73	Simply one word “better”	9/16/2026 9:54 AM
74	Not much bigger than it is now. It is a semi rural village	9/16/2026 9:24 AM
75	I would like it to BE: welcoming, inclusive, accessible, a place people want to live.	9/16/2026 8:50 AM
76	A flourishing parish with development limited to brown field sites, local, independent shops, and good public transport.	9/15/2026 2:33 PM

77	Hopefully it will return to just Wroughton Parish only	9/14/2026 10:35 PM
78	I would prefer wroughton to be separate from wichelstowe Wroughton needs to keep its own identity	9/14/2026 5:59 PM
79	No more housing. An additional health centre. Better roads. Please.	9/14/2026 12:11 PM
80	Wroughton to stop over development and try to retain our green wildlife beauty. Whiclestowe is not for me to comment as a Wroughton resident	9/14/2026 11:35 AM
81	Smart, pedestrian/cyclist and wildlife-friendly. Prepared for flooding.	9/14/2026 10:37 AM
82	Wroughton to remain a village and no more houses Witchelstow to have its own doctors	9/14/2026 9:46 AM
83	Gp surgery in witchelstow, a new pottery painting shop or similar, more double yellow lines, better parking at ellendune	9/13/2026 9:41 PM
84	Greener; fewer pot holes; Brimble hill wall to have been fixed; less congestion	9/11/2026 3:15 PM
85	Like two seperate areas and to become swallowed up by the ever expanding Swindon.	9/10/2026 7:51 PM
86	Country small village vibes	9/9/2026 10:43 PM
87	I'd like Wroughton to continue looking like a village - Wichelstowe will just keep growing unfortunately and become larger than Wroughton which is a shame	9/9/2026 7:17 PM
88	No bigger than now! Too much building of new houses impacting the character of the "village"	9/9/2026 4:57 PM
89	Community events. Good usable leisure facilities. Better and larger play parks. Safer roads between the schools. Better grounds team. More bins	9/9/2026 4:31 PM
90	That all the roads are clean and not being close every other day yet again my road closed for 3 weeks not very well managed traffic use it all the time when they were given plenty of notice saying it would be closed	9/9/2026 3:48 PM
91	More local shops and services, better quality paths, less dangerous traffic, more trees	9/9/2026 3:00 PM
92	Green. Wildlife friendly	9/9/2026 2:29 PM
93	Not much bigger than it is now	9/9/2026 9:42 AM
94	A vibrant live/work environment, with good quality services for all	9/9/2026 9:40 AM
95	Well developed with good amenities available to local residents	9/8/2026 8:22 PM
96	to maintain its local and friendly atmospere	9/8/2026 4:51 PM
97	No more large housing developments in Wroughton! All of the retail units in use with a variety of shops and at least one more cafe.	9/7/2026 10:24 PM
98	I would like Wroughton to look like a village which it is.	9/7/2026 5:25 PM
99	Wroughton to maintain its smaller parish feel	9/7/2026 4:28 PM
100	Separate we are not Swindon we are not witchlestow. Wroughton should be kept as Wroughton and not linked to anywhere else	9/4/2026 6:43 PM
101	how it is now	9/4/2026 6:42 PM
102	Settled and open. Clean and people out and about.	9/4/2026 8:53 AM
103	The decision that Wroughton and Wichelstowe should be one parish is wrong. The latter will eventually rival Wroughton in terms of population and will therefor require a fuller range of facilities to meets its needs. The focus should therefore be on developing Wichelstowe as a separate parish.	9/3/2026 11:49 AM
104	no more houses	9/3/2026 11:30 AM
105	A social clean and people friendly place with no shortage of affordable homes.	9/3/2026 9:13 AM
106	Ability to walk safely and peacefully around the village	9/2/2026 5:10 PM
107	To still be a village and not a subset of Swindon.	9/2/2026 11:25 AM

108	Hopefully Wroughton as it is now will not be surrounded by large estates of new houses.	9/1/2026 10:09 PM
109	Visit towns in northern europe (Belgium, Netherlands and Luxembourg). Copy the designs for infrastructure, architecture, street furniture, cycle paths. They are years ahead when it comes to connectivity and quality of life.	9/1/2026 8:06 PM
110	Wroughton still holding it's village identity. Wichelstowe to have settled into it's new town identity separate from Wroughton.	9/1/2026 12:45 PM
111	Clean, crime free, enjoyable, with plenty to do for those who don’t drive, have additional needs, things being open and available to homeschooled children, easy access to local shops, schools etc. local job opportunities for example healthcare, pharmacy.	9/1/2026 11:52 AM
112	More shops and supermarkets	9/1/2026 11:45 AM
113	No copy and paste terrible cheap looking new build development projects that ruin the village	9/1/2026 11:22 AM
114	Smaller and separate!	9/1/2026 11:04 AM
115	Wichelstowe and Wroughton are 2 very different places and need to be treated to reflect their own communities. We need to make sure that Wroughton keeps it’s village status and is not allowed to merge with Swindon. So that when we come over the motorway bridge we are in our lovely village and not allowed to be an extension of the town.	9/1/2026 10:56 AM
116	Less housing in Wroughton would make it more like a 'village' rather than a town!	9/1/2026 10:54 AM
117	Better healthcare and care for existing residents and not swamping everything with ugly new builds	9/1/2026 10:37 AM
118	Wroughton ellendune looks quite drab and could do with a face lift	9/1/2026 10:35 AM
119	Wroughton to still resemble a village and not a suburb of Swindon!	9/1/2026 10:32 AM
120	The same as now with no more houses	9/1/2026 10:28 AM
121	Green, vibrant, with people cycling walking, having coffees in the local coffee shop	9/1/2026 10:23 AM
122	Greener and with much easier access to health provision	9/1/2026 10:19 AM
123	Green with trees and plant life and adapting to climate change	9/1/2026 10:07 AM
124	No more houses and retain Wroughton as a village not another sprawl that links into Swindon	9/1/2026 9:59 AM
125	Improved public space around Ellendune	9/1/2026 9:58 AM
126	More connected as currently they are both separate.	9/1/2026 9:58 AM
127	Finished	9/1/2026 9:52 AM
128	Connected community with all the facilities we need integrated	8/31/2026 6:42 PM
129	clean, happy and welcoming as a community, safe for people to walk around, more visible policing, and reduction in anti-social behaviours, with more respect to the people of the village on a one to one basis. real community.	8/30/2026 3:36 PM
130	Much the same but with the right infrastructure to support any additional housing.	8/30/2026 12:36 PM
131	More trees, less litter, not built-up.	8/30/2026 10:49 AM
132	Like a village	8/29/2026 5:58 PM
133	Separate them, Wichelstowe will become burdensome if it isn't already	8/29/2026 4:59 PM
134	Clean and tidy. Good village centre with independent shops and cafes. Cars parked legally.	8/29/2026 4:36 PM
135	The same size it is now, with no more new housing developments.	8/28/2026 3:44 PM
136	Green, well-kept and with safer roads	8/28/2026 9:55 AM
137	Maintain the parish look and feel and not be incorporated into Swindon through the constant development of areas between the two	8/27/2026 2:50 PM

138	Clean and tidy, a great place to live with plenty of social activities and integration of the community.	8/27/2026 1:09 PM
139	Same	8/27/2026 11:00 AM
140	Wroughton must retain its unique identity and heritage and green spaces that link back to the streams and mills. Etc. better public realm around the high street with on road pull in parking making the area vibrant and more viable like Wootton Bassett. More varied shops and a real feeling of a centre.	8/26/2026 1:33 PM
141	Completed dust free!!	8/25/2026 7:12 PM
142	I would love wichelstowe to have a drs surgery to reduce the pressure on wroughton.	8/25/2026 8:44 AM
143	Keep Wroughton as a village Stuff other villages Do not combined Stop building Stop giving illegals free housing	8/24/2026 9:10 PM
144	The parish will likely be split.	8/24/2026 8:50 PM
145	Clean, open green space to enjoy. I would like it to stay similar to how it is now. Quiet spaces to feel away from the crowds.	8/24/2026 7:05 PM
146	Keep Wroughton seperate	8/24/2026 5:09 PM
147	More cycling routes and better pavements	8/24/2026 4:53 PM
148	Less rubbish more bins needed. Better paths around Wichelstowe as they are a claim waiting to happen. Let alone if an elderly person hurts their self.	8/24/2026 4:45 PM
149	Both areas to have their own doctors surgeries to enable better health care being provided. Having moved to the area over 12 months ago from north Hampshire, the care provided by comparison is scarily bad, and would make us move away if no improvement in the near future.	8/24/2026 3:09 PM
150	Still green spaces, care and respect given to environment, infrastructure	8/24/2026 3:05 PM
151	Still to maintain a village status	8/24/2026 2:55 PM
152	Two completely separate entities, each with their own GP practice	8/24/2026 2:46 PM
153	Increase in houses not to have increased. Investment into Wroughton GP surgery, both the staffing and the property - the Practice isn’t welcoming, feels very aged inside.	8/24/2026 2:20 PM
154	NO Bigger, use of brown sites and not to loose the green areas around the village, to get the wall fixed on Marlborough Road, becoming tedious having the lights there.	8/24/2026 12:16 PM
155	Not completely built up. Different character of two settlements maintained	8/24/2026 9:11 AM
156	Less urban. More villagy. Less traffic.	8/23/2026 9:25 PM
157	Not part of Swindon	8/23/2026 7:20 PM
158	Thriving .. busy .. lovely high streets .. like cirencester Cricklade .. Wotton basset and Highworth , Marlborough	8/23/2026 7:08 PM
159	Place with community , green space maintained (not over crowded) , better amenities (food, shops , kids play park , recreation areas) which family of all age can enjoy	8/23/2026 2:58 PM
160	We do not want big new housing developments	8/23/2026 1:50 PM
161	Greener	8/23/2026 11:06 AM
162	Not merged. No major development of Wroughton. Less through traffic.	8/23/2026 10:28 AM
163	Less overcrowded	8/23/2026 8:07 AM
164	Separate. Wichelstowe is a massive urban sprawl in its own right and Wroughton is a village on the other side of a motorway barely accessible from a dirt track which floods in the winter	8/22/2026 5:10 PM
165	Cleaner, more flowers and better paths	8/22/2026 1:17 PM
166	People still know one another and work together to maintain and improve the local community. There is a sense of belonging in a peaceful and polite society.	8/22/2026 11:10 AM

167	Welcoming	8/21/2026 8:51 PM
168	I would like the green spaces within the areas to be protected and stay well maintained and any additional building done on the outskirts of the parish and in keeping with the current appearance.	8/21/2026 8:25 PM
169	Wroughton is its own village and should stay like that	8/21/2026 3:09 PM
170	Largely as it does now, perhaps with some more shops and public services. No new large-scale housing expansions.	8/21/2026 2:48 PM
171	Better access to healthcare. Wichelstowe needs a doctors surgery as a matter of priority and a pharmacy. No new large scale developments in Wroughton. Any housing that is built needs to be affordable. Part ownership is ideal for young people, allowing them to stay in the village. Current green areas need to stay	8/21/2026 2:47 PM
172	not a village that has turned into a commuer town...	8/21/2026 1:53 PM
173	Keeping it's character as a village - not becoming built up like other parts of Swindon	8/21/2026 11:39 AM
174	I'll be dead so I don't have an opinion	8/21/2026 9:43 AM
175	Community based, not a sprawling suburb of Swindon	8/21/2026 8:50 AM
176	Hopefully as a model to what can be achieved when modern integrates with history.	8/20/2026 10:32 PM
177	Rural	8/20/2026 6:32 PM
178	Clean and thriving	8/20/2026 5:40 PM
179	So much unfinished highway work brings down the aesthetic of the village. Temporary traffic lights and roadworks Which have been there years with nonprogeesss.	8/20/2026 5:36 PM
180	Still with a separation from Swindon	8/20/2026 5:05 PM
181	Green, tidy and with a thriving village centre.	8/20/2026 4:37 PM
182	GP, children park area, leisure and community centre, shops/cafes, greenery.	8/20/2026 3:52 PM
183	Greener	8/20/2026 1:00 PM
184	Wroughton to still be a village and not a Swindon overspill	8/20/2026 12:54 PM
185	Housing targets in Wroughton have been heavily exceeded, blurring the boundaries between Swindon and eroding our identity, causing a major strain on our roads and infrastructure. Using pockets of land for development does not reflect the cumulative impact on our village roads and pavements, utilities and healthcare. Looking ahead, I would like SBC and potential developers to leave our village alone. Let Wichelstowe come to completion before re-addressing any future builds.	8/20/2026 11:50 AM
186	Still separate from Swindon and retaining its village atmosphere and culture	8/20/2026 8:50 AM
187	no increase in the current number of houses	8/20/2026 8:47 AM
188	NO MORE HOUSING!! - what little Wroughton identity is left - preserve it at all cost! - it’s virtually a suburb of Swindon now. Very sad!!	8/20/2026 7:47 AM
189	No road works and no more housing	8/20/2026 7:00 AM
190	Protection of current green spaces. Well linked pedestrian access between Wroughton and wichelstowe to bring the two areas together with the canal easily accessible in the middle. Well established trees, unlike the half dead ones around the parish. Independent cafes with the Tesco area modernised to encourage this, current shops look so dated. Better road surfaces particularly towards the M4.	8/19/2026 11:00 PM

198	Much the same with improvements to Road safety and minimal new housing. Most importantly a new health centre.	8/19/2026 6:02 PM
199	A distinctive and established place with a broad cross-section of residents.	8/19/2026 3:52 PM
200	For retail units within the food industry and restaurant industry to be supported so they can remain and to have more choice with little cafes and poss another butcher/ grocery shops	8/19/2026 2:52 PM
201	Wroughton to go back to being its own parish	8/19/2026 2:25 PM
202	Better connections and more shops and central hub in west wichelstowe	8/19/2026 1:30 PM

207	Less traffic, less traffic works, better use of existing spaces.	8/19/2026 9:56 AM
208	Not a new town linked to or part of Swindon!	8/19/2026 9:50 AM
209	A thriving village with a good cross section of ages living here	8/19/2026 9:49 AM
210	Fundamentally unchanged, but looking neater/tidier with better maintained roads/paths and verges.	8/19/2026 9:10 AM
211	Not much different to now, as much character saved as possible despite development	8/19/2026 9:05 AM

220	More upmarket!! and Still like a village.	8/18/2026 7:01 PM
221	Busy market towns with safe environment	8/18/2026 6:54 PM
222	Like a village, similar to now but with fewer potholes and better drainage	8/18/2026 6:35 PM
223	Green spaces, focus on wildlife and biodiversity, opening up the canal	8/18/2026 5:47 PM
224	Like a proper village it used to be	8/18/2026 5:32 PM
225	I would like to be able to walk to a shop without fear of attack during a winter evening. I would like to be able to trust walking on my own without a key in my hand and one ear bud in just in case. I would like Wroughton to be a village that can look after people not just house them. A place where When I complain that there is black mould in my home and I have lost almost	8/18/2026 4:22 PM

	everything, irreplaceable item from or of family I will be listened two. 4 years I have not had a bedroom and I sleep on a sofa as my room is covered in mould, and my dad father items destroyed and never to be replaced. I would like a Wroughton that cared about that at all. Honestly, I hope in 2036, I hope Wroughton is just a nightmare I get to wake up from.	
226	Hopefully still a beautiful village, totally independent from Swindon.	8/18/2026 3:34 PM
227	To be an independent village again.	8/18/2026 1:57 PM
228	Clean and well maintained with a mix of businesses that provide a community heart	8/18/2026 1:47 PM
229	Reduced traffic. No more houses. Protected green spaces like the allotments.	8/18/2026 1:45 PM
230	A village. It’s losing it’s identity	8/18/2026 1:41 PM
231	Green safe a pleasant place to live and to be proud of	8/18/2026 1:40 PM
232	Still seperate to swindon	8/18/2026 1:38 PM
233	I'd like wroughton to remain how it is now (with a bit more rewilding and greenery). It needs to retain its village feel and heritage	8/18/2026 1:32 PM
234	Like the village it was and should remain	8/18/2026 1:30 PM
235	Not apart of Swindon keep us separated, better doctors services	8/18/2026 1:19 PM
236	Lower speed limit to 20 mph throughout Wroughton. No more new houses and to be able to get a doctors appointment the same day	8/18/2026 1:18 PM
237	Less main roads more walkways	8/18/2026 1:12 PM
238	Good facilities across the parish, including a new health centre in Wichelstowe. Sports and leisure facilities in Wichelstowe. Plenty of open green spaces and community growing and allotments for Wichelstowe where not everyone has a garden. Good provision for Wildlife and Biodiversity and plenty of tree planting.	8/18/2026 10:56 AM
239	More local businesses that sui everyone. Independent grocers or bakers would be amazing	8/18/2026 10:14 AM
240	I would like Wroughton to remain a Village and Wichelstowe to remain the same.	8/18/2026 9:37 AM
241	Much the same as now.	8/18/2026 9:11 AM
242	I would like it to be more stable, with wild green spaces and enough infrastructure to support the population (presumably pushing half a million by then /s)	8/18/2026 9:04 AM
243	Clean and tidy, wildlife areas, no pot holes in roads	8/18/2026 8:35 AM
244	Keep it's village feel and independence from Swindon	8/18/2026 8:02 AM
245	Like a village but with currrent plans that’s doubtful already.	8/18/2026 5:51 AM
246	Better drainage, no evening and night races on Wharf Road and not so many big Lorrie’s more green than new build houses	8/18/2026 12:14 AM
247	Can it became a financially well develop town and a better place to live	8/18/2026 12:12 AM
248	Separate	8/18/2026 12:02 AM
249	Vibrant village centres with strong community feeling	8/17/2026 10:54 PM
250	Just the way it does now as I’ve said it’s growing far too much by the day, Wroughton can not sustain the growth and neither can the wider facilities such as the hospital and with the summers set to get much hotter in future a new reservoir would be a much better solution as we can’t survive without water!!	8/17/2026 10:53 PM
251	I’d love there to be more of a community! A little centre with a shop, takeaway, dr surgery etc. we’re in west wichel and not much here!	8/17/2026 10:39 PM
252	Exactly the same, thriving community who protects its landscape, wildlife, is clean, has better green spaces with trees or allotments	8/17/2026 10:03 PM
253	I'd like to see the canal extended as it's a great asset. I would like Wroughton to retain its village character and community feel and have this enhanced by more amenities that don't	8/17/2026 9:50 PM

	involve going outside the parish. Wichelstowe is clearly going to get bigger and bigger but houses have to go somewhere and I hope it will retain the pleasant green spaces that it has. I'd like to see more solar panels and heat pumps on homes in the parish.	
254	Definitely no more expansion. We have become a suburb of Swindon with the result our village has lost or is losing its heritage and character	8/17/2026 8:55 PM
255	Less graffiti. Clean and tidy	8/17/2026 8:43 PM
256	More sustainable and modernised: connection is poor and roads are poor	8/17/2026 8:22 PM
257	No bigger than it is now	8/17/2026 7:58 PM
258	Clean and tidy	8/17/2026 7:56 PM
259	Too late bad housing bad roads lack of Dr hospital bad school return witchelstow to farm land start again	8/17/2026 7:29 PM
260	Maintain a village feel, with good transport links, high use of renewable energy and small thriving retail centre in wroughton and by canal.	8/17/2026 7:10 PM
261	Less houses being built with the exception of council houses	8/17/2026 6:43 PM
262	Green in colour	8/17/2026 6:36 PM
263	Group of small communities connected by safe open, green, natural spaces, served by nearby local shops and cafes. Adequate healthcare and education, and resilience in infrastructure.	8/17/2026 5:59 PM
264	Separate! Wroughton may as well be Swindon now. There has been such a loss of character.	8/17/2026 5:51 PM
265	Clean pathways. No graffiti. No new builds on green land. Roads clear of potholes and properly painted lines. Speed bumps in place on main roads. Pavements level with proper drainage	8/17/2026 5:28 PM
266	Similar to the size it is now, with improved path and road services.	8/17/2026 5:23 PM
267	Clean with lots of greenery.	8/17/2026 5:05 PM
268	Improve and maintain its green spaces and canal side focus. More embellishments to improve its appearance I.e. fountains, statues.	8/17/2026 5:04 PM
269	Clean and well maintained with areas to walk and for kids to play. Roads need to be leveled and graffiti removed	8/17/2026 4:57 PM
270	Greener	8/17/2026 4:47 PM
271	Being still separated from Swindon	8/17/2026 4:35 PM
272	No more housing	8/17/2026 4:31 PM
273	Roads and footpaths not trashed and covered with weeds	8/17/2026 4:22 PM
274	Remain a lovely village and lovely community. Do not allow it to be absorbed by newbuilds and become part of Swindon.	8/17/2026 4:09 PM
275	Better facilities for residents. No more large housing estates. Less traffic.	8/17/2026 4:03 PM
276	Settled, well looked after and fully functional	8/17/2026 3:43 PM
277	Wroughton to resemble a village Old buildings looked after and not knocked down Would also like to see more burial ground for Wroughton	8/17/2026 3:40 PM
278	A thriving and caring community with plenty to do and locals taking pride in their area. Respect for the history, while acknowledging the need to look forward and embrace a (new) future world.	8/17/2026 3:12 PM
279	Loved.	8/17/2026 3:03 PM
280	Wroughton remains a village with a clear boundary and there is green space between it and Swindon Wichelstowe has public health services such a doctor surgery	8/17/2026 2:35 PM
281	2 separate parishes with separate doctors surgeries	8/17/2026 2:23 PM
282	Thriving	8/17/2026 2:10 PM

283	Ahead of its time and serving the local community	8/17/2026 2:02 PM
284	No more housing developments, open fields for children to play football	8/17/2026 1:54 PM
285	Better pavements. Better infrastructure like doctors surgeries. More public transport.	8/17/2026 1:26 PM
286	The same as it is now. Wroughton should be separate from wichelstowe	8/17/2026 1:17 PM
287	Full of life, buzzing with community events and opportunities for community togetherness	8/17/2026 1:16 PM
288	No larger than exiting	8/17/2026 1:14 PM
289	The original village should retain its character and future developments should reflect this.	8/17/2026 12:48 PM
290	No more big scale housing Still working farms around village Still accessible green spaces	8/17/2026 12:14 PM
291	Propeperous. Attractive to newbies. Better amenities in Wroughton	8/17/2026 11:57 AM
292	To be able to see more trees around; wild life; a GP;	8/17/2026 11:38 AM
293	Wroughton to have more shops, less housing, still surrounded by beautiful untouched countryside. Any more development is going to ruin the village. I don't regard Wichelstowe as part of Wroughton.	8/17/2026 11:33 AM
294	As a separate Village not linked at all to swindon	8/17/2026 11:33 AM
295	Improved more accessible pavements on the older streets/canal area. Much better public transport. Infrastructure like previously mentioned- shops, health, all facilities available locally.	8/17/2026 11:01 AM
296	Green oasis. Happy people enjoying lifestyle they can afford	8/17/2026 10:38 AM
297	Wroughton to stay as its own village	8/17/2026 10:18 AM
298	No more housing inflicted on us by Swindon bc	8/17/2026 10:13 AM
299	Independent from swindon	8/17/2026 8:07 AM
300	I’d like to see a fully working canal restored.	8/16/2026 7:46 PM
301	Cleaner and brighter with the road owls over the M4 completed.	8/16/2026 7:36 PM
