

Hi Emma,

We do, yes please.

Yes, absolutely, we are hoping for Tuesday and Thursday evenings at 6:15pm, Thursday mornings at 9:15am and Saturday Mornings at 9am. This would be over the next 5 weeks as we are not allowed indoor classes. We are looking at a maximum of 20 people but generally around 10 people per class. We would only need a small space, won't be in anyone's way. We just want to get people moving again. All instructors have their own public liability insurance.

Hope this helps,  
Kind regards,  
Danny Day

Hi Dan

I'm just checking that you still require the outside space?

Do you think you could send me a list of dates / times that you might like to use the field, also the length of time this would be used and volume of people involved. This is just so I can answer any questions the council may have.

Thanks for your cooperation and patience,

Kind Regards,

Emma Freemantle

**Subject:** Everyday Fitness Gym Wroughton

To whom it may concern,

My name is Danny, I am the Owner and Director of Everyday Fitness Gym here in Wroughton High Street.

As you'll be aware we've been shut for a large part of the last year, however with restrictions now starting to lift we have to be creative in order to keep our business alive. The UK Government has given us the green light to open our doors for the gym from April 12th but we are unable to run indoor classes until at least May 17th. A large part of our business is our group exercise timetable and a critical part of our service.

As it is opposite from where we are, I am hoping to use Weir field for some outdoor classes that my members can get involved in whilst we are unable to hold classes inside the gym.

My partner phoned you recently to see if this would be possible and we were asked to put it in writing. We have all the relevant insurances to be able to operate these types of classes and we can ensure that classes do not clash with any other use of the field.

We will of course adhere to the social distancing guidelines that the government have set out.

We look forward to hearing from you and we really appreciate the advice or support you can give us during this time. As a gym we are committed to helping the people of Wroughton and surrounding areas stay fit, healthy and active and therefore if you think there is anything that we can be a part of within the community further then please let me know.

Please do not hesitate to contact me should you have any further questions.

Many thanks  
Danny Day
