

Swindon Libraries & Information Service

www.swindon.gov.uk/libraries

Make it Click

Drop in for digital skills support &
online job searching

Starting **Wednesday 7th June** from 10am to 1pm
in the Learning Zone at Central Library

These sessions can help you to:

Access and update an existing
Universal Credit account.

Set up an email account & add
an attachment.

Access public services and
trusted information online.

Access and use job
seeking websites

Formatting CV's and
resetting passwords

Access libraries eResources

Please note:

Library Staff cannot complete forms or write letters on your behalf. Support provided is on library PC's only. We are unable to help with new Universal Credit account applications
