Dear Cllr B Ford and Josie

Thank you for this information, I will ask our allotments officer to look into this further and get back to you with the parish councils position. This is something that the parish should consider thoroughly.

Once some research has taken place we will need to then address this at the next Open Spaces Committee meeting, this is now 04th April 2023. Many thanks.

Good morning

Don't know if this info is of interest. I came across it in an Open Spaces Society publication.

Allotment gardens can also be registered as village greens, so useful if threatened by loss of site or housing development.

Actually the publication Our Common Land is a very useful source of information.

See attached pics.

Kindest regards

Josie
