

Christmas Community Engagement Event 2023

Proposal:

Buy a large number of small wooden Christmas decorations for children & adults to decorate (see list below). Predominantly groups which use the library and the Ellendune Community Centre (ECC).

Provide craft decorations to library craft club and other library groups. Non-library groups to provide their own pens, glitter etc

Wooden shapes to be provided to groups mid-November, and returned by Friday 24th Nov to allow Grounds Team and Parish staff to string them up in the ECC ready for the lights switch-on on Saturday 2nd December.

Ask Infant & Junior Schools to publicise when the Library Craft Club will be decorating the ornaments (particularly to Wroughton Infant & Junior Schools) and put on an additional 2 or 3 library craft club sessions during November.

- Using the library groups and groups which use the ECC as the community engagement vehicle will help ensure a good return of decorations.
- Using much smaller decorations will help ensure a better return as they will be easier to decorate, won't take as long, need less adult supervision.
- Hanging them inside the ECC as indoor decorations will both minimize the risk of ASB on the Moat and therefore reduce the likelihood of damage to WPC's string lights on the Moat.
- Using them to decorate the inside of the ECC will help promote the Community Centre to a wider audience and encourage parents/ carers & children to come into the Centre to see their decorations before/ after the switch-on when the Country Market will be in the main hall.
- There will be no need to varnish the decorations as they are not for outdoor use so less time consuming for everyone.

Suggested groups:

Library Craft Club

Library Board Games Club

Library Lego Club

Library Knit & Natter

Little Lambs (Ellendune Community Centre)

Mustard Seed Church (Ellendune Community Centre)

TickTock

Wroughton Pre-school

Scouts & Guides (including all age ranges throughout those organisations, probably through Judi for Scouts, and Tessa for Guides)
