**NOTICE OF REVIEW OF POLLING DISTRICTS
AND POLLING PLACES 2023**

**The Review of Polling Districts and Polling Places (Parliamentary Elections)
Regulations 2006**

The above regulations require each local authority to carry out a review of Polling Districts and Polling Places on a five yearly basis. The reason for this review is to ensure that all electors within the Borough of Swindon have such reasonable facilities for voting as are practicable and to ensure that polling stations are accessible to all electors, including those with special needs.

The consultation period will commence on Monday 30th October 2023.

The Acting Returning Officer for the Parliamentary constituencies of North Swindon and South Swindon will be consulted, along with the Acting Returning Officers for the future Swindon North, Swindon South and East Wiltshire constituencies, and they will make formal comments on the existing polling places and stations and any newly recommended polling places and stations. These comments will be published within 30 days of receipt.

Representations and comments on the proposals are invited from all residents, elected members (MP's, Borough and Parish councillors) and persons or organisations that have a particular expertise in relation to access to premises for people with different forms of disability. Any representations given should, if possible, give alternative places that may be used as polling places.

More information can be obtained from Electoral Services, Civic Offices, Euclid Street, Swindon SN1 2JH between the hours of 09:30am to 4:00pm Monday to Friday, or from www.swindon.gov.uk

Representations should arrive no later than Monday 11th December 2023 to:
