

**Update for Wroughton Parish Council
Full Council Meeting – Monday 20 May 2024**

D-Day Landings 80 Year Anniversary -Thursday 6 June 2024

To commemorate the anniversary:

WPC Chairman will lay a wreath at Wroughton War Memorial 11am on Thursday 6 June 2024. A Royal British Legion (RBL) Standard Bearer will be present. Wroughton RBL and Royal Engineers and Royal Mechanical Engineers (REME) will lay a wreath. Our local Royal British Legion group have advised that some local veterans will also attend. Parish Councillors and the public are welcome to attend this low key event to pay their respects.

A commemorative D-Day anniversary Flag will be displayed on 6 June (potentially on the Millenium wall)

There will be a D-Day/Second World War display of books in the library

A temporary information board will be installed next to the Horsa glider plane bench in Willowbrook Gardens. This will explain the important role that the aircraft played in the D-Day invasion.

Information regarding the D-Day Anniversary and how Wroughton is observing it will be shared with the public via our social media feeds and website.
