Hello Katy

Thank you for your reply,

Yes not a problem, we make our notice boards with solid oak posts making them freestanding.

We offer 2 finish options. Danish oil or low maintenance Diamond Coating. Or you can order the notice board without any finish and let the timber weather naturally to silver.

Our product is very high quality. We use solid English Oak with quality locks and hinges. The back boards are made from steel with a coloured vinyl print over the top giving you a choice of any colour. You can then attached your A4 sheets with magnets. This means the back boards are not made from pin board or fabric, so they won't rot or ware out.

All notice boards come fully assembled and delivered by pallet.

We can offer a few options depending on what space you have. We can either make you a 2 - 3 door notice board. Each door will fit 6 x A4 sheets per door, giving you 12 - 18 A4 sheets.

1 x Freestanding Oak Notice Board

Size - 2 doors (6 x A4 sheets per door)

Untreated

Price - £1890.00

1 x Freestanding Oak Notice Board

Size - 3 doors (6 x A4 sheets per door)

Untreated

Price - £2890.00

Danish oil finish + £150.00

Low Maintenance Diamond Coating Finish + £250.00

All price are plus VAT

If you have any further questions or would like to place an order please do not hesitate to contact us.

Look forward to hearing from you.

Kind Regards

Ben
