10. Re: planning application ref: S/OUT/23/0240 – land at Langton Park

To note the following response received from SBC to WPC's comments regarding the construction route to site:

I am aware of the constraints imposed by the geometry of Priors Hill and would expect any new construction activities at the site to be serviced from the west, via Comet Way, irrespective of the fact that the road is private and agreement with the owner would be necessary. The permission comes with the standard Planning Condition requiring a Traffic Management Plan to be agreed before works commence and we will certainly be looking for that routing to be clearly set out in the Plan.

11. Wichelstowe

To receive the notes from the quarterly Wichelstowe update meeting held on 15th May.

To note the next update meeting has been scheduled for 6.15pm on 21st August 2024 in The Alex Room, ECC.

12. Strategic Priorities for 2025-26.

To consider the Committee's strategic priorities for 2025-26, with a view to making a recommendation to the Finance & General Purposes Committee, prior to budget setting in Autumn 2024.

Possible priorities already suggested and to be investigated further – updates to follow at future meetings:

- **Radar Speed signs:** information to date assumes each speed sign costs approx. £3,000 + shipping, installation, ongoing maintenance, & data retrieval.
- **Neighbourhood Plan**
 - Will require preparation starting with a review of the previous NP.
 - Include support of Borough-owned farms.
 - Will require a budget – investigate funding nearer time.
 - Briefing from previous working party members to be arranged.
