

Noticeboards with doors

Our standard oak noticeboards are ideal for Parish Councils, sports clubs and community groups. They are made from sustainably sourced air-dried oak and left untreated with slowly weather to a silvery grey. The doors are glazed with a robust 4mm UV polycarbonate, the inside back is covered in a grey Sundela pinboard. Includes locks and stainless steel fittings.

Oak posts - planed green oak 95mm x 95mm x 2.4m

As everything is made to order, please contact us if you have a different design in mind. See also the [Open Noticeboards](#) page for combinations.

Bespoke Options & Ordering

If you have alternative designs in mind please get in touch with us. As everything is made to order our bespoke costs are very reasonable and small changes often don't cost much if anything more.

Quotes: The prices you see here are the prices you pay. However, we are happy to provide a quote if required, please email us.

Ordering - Public bodies: Let us know what you want along with an invoice and delivery address and purchase order number or reference. We will then invoice you on despatch for payment within 30 days by BACS or cheque.

Ordering - all others: Let us know what you want along with an invoice and delivery address. We will issue an invoice for payment in advance.
