

Bus / Transportation Reps Meeting

Tuesday 09 July 2024

Cllr Graham Overbury
Cllr Nathanael Hooper
Clerk, Emma Freemantle

- 1) **Next meeting with Rachel Oliver- what outcomes would we want from this meeting?**
Meeting this week was cancelled and EF now trying to re arrange.
Next one best is probably the "Get Swindon Moving meeting" this is prob TEAMS and likely to be short notice if this week.
EF to request a meeting SBC after 4pm on a weekday or worse case in Aug during the day time.
GO and NH require a meeting face to face on the WPC specific queries only.
WPC will continue to attend and represent travel updates to any of the upcoming SBC meetings
- 2) **Summary from previous SBC get Swindon moving meeting**
Attached are the mins from the previous get Swindon moving meeting on 29th May 2024.
- 3) **Get Swindon Moving meetings – what is our role in this?**
WPC unsure of their role in this but agree to keep continuing with presence and participation.
Parish councils are being asked to assist SBC with its promotion of getting residents to use public transport and share information where possible.
- 4) **Bus Shelters - Communications between Graham and Rachel Oliver with regard to Clear Channel shelters contract and possible SBC tender contract for Wroughton Bus Stops.**
GO and NH want to put forward the purchase of a new bus shelter at Thorny Park as currently no shelter in this location.
Perry's Lane would also be a good location for a new bus shelter for an advertising opportunity with Clear channel etc.
GO has asked how SBCs relationship with marketing companies work and what sponsorship SBC are able to achieve. Is this something WPC can do?
- 5) **Bus Stops tidy up and flags - can we chase this up?**
Wharf Road infant school bus stops – these needs tidying up.
WPC contact Stagecoach – the bus stop needs a board which displays timetables. All other bus shelters need new flags and new timetable cases with timetables.
Stagecoach contact – still Tim Hower – same email.
- 6) **Bus services in Wroughton/Thorney Park updates**
WPC are waiting on conversation and thoughts on changes, for the Stagecoach meeting.
- 7) **AOB**
WPC will look at Stratton St Margaret Parish Council Community bus – what are SSMPC trying to achieve and provide for public? Is this something WPC could look at.
EF to chase up follow up meeting with SBC (Rachel Oliver) to continue the conversation regarding bus services in Wroughton.
