

Subject: Request for Case Studies on Grounds Maintenance Services

Dear Swindon Local Council Forum Members,

I hope this email finds you well. As we continue to improve our local services, I am reaching out to request your valuable input on grounds maintenance initiatives across our area.

I kindly ask that you prepare and bring forward case studies highlighting:

How you are currently developing and enhancing your grounds maintenance services

Any additional services or improvements you are planning to budget for in the upcoming financial year

These case studies will provide invaluable insights into best practices and innovative approaches being implemented throughout Swindon. They will also help us identify potential areas for collaboration and resource sharing.

Please come prepared to share your experiences at our next forum meeting. Your contributions will greatly assist in our collective efforts to maintain and improve our community spaces.

If you have any questions or need clarification, please don't hesitate to contact me.
