November 2024

Live in Swindon?

You're invited to our 'Let's talk Swindon' events on 19, 25 and 30 of November to hear about the latest work by Swindon Borough Council to create a fairer, better and greener Swindon.

Have your say on the 'Heart of Swindon': the Council's draft plan developed with partners to guide the future investment needed to reinvent the town centre. Find your closest event and book your place here by scanning the QR code above or visit the Council's website.
