Hi Emma,

The committee for this event met last night and as a result I have some questions:

1. Please can I confirm the booking of the hall for the evening of the 6th September 2025 for our speakers? How much will the hall cost? We will need it (and the kitchen) from about 18.00 to about 22.30?
2. Is there a microphone, projector and screen for the speakers to use, or do we have to provide our own?
3. Can we serve alcohol? What about BYOB?
4. On the 13th on the Weir Field we are hoping to have a lady bringing ferrets to race and to talk about keeping ferrets in Saxon times. She will be coming from the East Midlands and her set up takes a few hours to set up, so she is wondering if it would be OK to set up on Friday 12th and stay in the marquee overnight on the Weir Field - probably the Saturday night too. She and her helpers stay in the tent with the ferrets. If this is allowable, I will order a portaloos for them to use.

Many thanks

Bev
