VEHICLES	Reg no	Type Make Model	Age (Yrs)	Purchase or Lease	Mileage as of 01.02.25	Frequency of use	Annual Tax cost	MOT Dates	Service Dates	Replacement cost for budgeting purposes	Comments (Wear & Tear) (Supplier Advice)	
Large Cab Nissan Flat bed truck	WV15 FZF	CABSTAR	10	Purchase Year 2015	24,900	Daily when needed	£345 taxed until 1 st June 2025	24/06/2025	June 2026	£30,000	Rusty – lots of vibration (Steering wheel). Hole in drivers seat, needs welding Hard to select gears	Needs Replacing. The ideal would be to replace this and the Isuzu - depends on cost. Can't put a tipper & a tail lift on the same vehicle. RH to assess jobs/ people/ cost to recommend best options.
Isuzu (Flat bed truck Large Cab means the bed is too small)	YT19 KVP	D-max extended cab	6	Lease ends 20.05.22 (Rolling contract)	40,600	Daily	£345 taxed until 1 st May 2025	23/05/2025	June 2025	Continue lease at £500 PCM	Very tatty, uncomfortable to drive as seats are ripped and hard to select gears	See comments above. Needs replacing – could be Ford or Fiat. Another Nissan would be too long.
Peugeot Van	AF73 DMU	Expert	1	Leased Contract ends June 2027	7,700	Daily	£335 taxed until 1 October 2025	09/10/2026	October 2025	£457.12 PCM		Taxed until 1 October 2025
Karcher Road Sweeper	KX23 DCF	MC130	2	Purchased 2024	1,776	Daily	£345 Taxed to 01.05.25			£100,000	Probably needs replacing after 5 years (2029)	
Kubota (off road)	OU14 ELC	RTV	11	Purchased 2014	1,263 Hours	Used for specific jobs	£0 Taxed to 01.11.25		December 2025	£20,000	Unlikely to last much longer & probably needs replacing now Grounds Team has increased in workload and staff.	This was replaced by the Peugeot van which was kept to use until it expires. However, we now have more GT staff who need more vehicles so staff can travel around the parish to carry out the work.
Kubota (tractor)	WX56 PWK	STV40	19	Purchased 2006	11,232 Hours	Used for specific jobs	£0 Taxed to 01.11.25	Not needed	December 2025	N/A		Used for moving bark etc. Doesn't need replacing, just keep on road.

MOWERS												
Ransome	WX15 MLY	HR300	10	Purchase	806 hours	Training & Spare	Taxed £0 until 1 st June 2025	N/A	Possibly 2026 depends on amount of use during 2025	£45,000 (whole machine)	This was replaced by the 2018 mower. However, it was decided to keep it going as a spare and as a mower to use for training.	If the GT's workload continues to increase (eg additional devolution from SBC or more grass cutting in Wichelstowe) then this machine may need to be replaced if it's required on a regular basis.
