

**REPORT FROM WADAMS
FOR ANNUAL PARISH MEETING, 28 APRIL 2025**

Our 60 year old Society has been performing at the Ellendune community centre for 50 years. Currently we are putting on two productions a year and last spring we performed a comedy called "Til Beth do us part" as a Studio production and had excellent audiences.

In December we performed our annual pantomime which last year was Little Red Riding Hood, performing to an invited audience on the Friday followed by 2 performances on the Saturday and a matinee on the Sunday.

Rehearsals are well under way for May 2025 production of Run for your Wife by Ray Cooney starting on May 23 and again on the 24th starting at 730.

New members always warmly welcomed and if acting isn't your thing we always need help backstage and front of house. We have a strong Junior Wadams group who meet every Wednesday at 6.30pm. The adults meet at 7.30pm.
