Wroughton Youth Football Club (WYFC) is an established organisation with over 457 children aged 6 to 18, from Wroughton and the surrounding area, playing football across 25 teams. We are a thriving and enthusiastic group of FA affiliated managers and coaches offering football and football related activities to children of all abilities and backgrounds. The children's welfare and enjoyment takes priority in all the decisions we make. We aim to provide a fun experience of football in a safe environment, where all players have the chance to flourish and enjoy their time with us.

WYFC is a 2 star charter standard club and is affiliated to the Wiltshire County FA and a member of the North Wiltshire Youth Football League, which is a charter standard league. We have a club membership scheme for all players and take pride in being able to offer affordable activities to all.

Partnership with Parish Council

We have a very good working relationship with Wroughton Parish Council and hire their facilities at Maunsell Way and North Wroughton for training and matches. We also hire pitches at Foundation Park, Deanery school, Wroughton Junior School and The Ridgeway Leisure Centre.

Finance and Support

We are a self funded voluntary organisation that raises money from both subscription funds (we take pride in being one of the lowest and most competitively priced in the County) and through local and national business sponsor money.

We provide support to families where needed to allow everyone to play football.
