Subject: Resignation

Good Morning,

It is with great sadness that I wish to tend my resignation into Wroughton Parish Council. I have enjoyed the role I have played with regards to transport, youth interventions and play areas. I also enjoyed my time when I served as Vice- Chair of Open Spaces and Community Asset's for a period of time.

However, I have concluded that for my own mental health, I need to take a step back to focus on my course and other responsibilities, I now have.

I am unable to commit to the role of a full time councillor but I am very happy to continue to remain on the youth and play area working parties, and continue to informally advise Cllr Graham Overbury on transport issues.

It has taken me a while to come to this conclusion but I feel that I cannot give the time I used to to the role. I will keep the option of returning open at some point in the future if my circumstances change.

Kind Regards,
Cllr Nathanael Hooper
