Subject: Fwd: Cricket Wicket Winter Maintenance 2025 -2026

Hi Emma,

Hopefully all sorted... we hope that Richard's reduced quote is approved by the councillors.

The quote at £400 is greatly reduced as there is no loam to be put into the wicket on Richard's recommendation.

Whether that will be recommended at the end of the 2026 season will be decided next season.

Once again WWCC thank the office staff and all the councillors for their support.

Best Regards,

Martyn
