

Update for Full Parish Meeting

20 October 2025

Aid for Ukraine

Working with Swindon Humanitarian Aid Partnership (SHAP)

The Ellendune Community Centre has a drop off point for aid to Ukraine. This continues to be very popular with residents. Carol, our SHAP representative collects approximately every 2 weeks. We receive a large amount of donations from Jephsons Pharmacy of medicines, other pharmaceutical items, short dated items etc which are very gratefully received.

Christmas Gift Appeal – Swindon Humanitarian Aid Partnership (SHAP)

The Ellendune Community Centre is acting as drop off point for unwrapped gifts suitable for children aged 3-11. SHAP will then collect these to be wrapped and taken out to orphaned children in Ukraine. Please refer to the relevant posters and note the early dates to allow for onward transport to Ukraine.
