Version: 1.

1 Who can apply?

Local community groups, voluntary organisations and charities which must be of a non-commercial nature.

The group or charity must be based in the Parish of Wroughton & Wichelstowe or in the immediate vicinity. National or regional organisations will not be considered. Any grant application must be seen to be of benefit to residents of the Parish of Wroughton & Wichelstowe.

2 How can the grants be used and how are they decided ?

Grants can normally only be used for capital projects and not for revenue support.

Only one grant per applicant will be given by the Council in a financial year.

The Finance & General Purposes Committee has been delegated authority to make the decision whether a Section 137 grant will be made.

Grants can only be given up to the amount held in the budget for Section 137 grants, which is agreed by Full Council as part of the budget process. Unspent grant budgets from a previous year can be held in a fund to be used in the following financial year if the Council chooses.

Grants are considered on a case-by-case basis. Things that may affect the council's decision –

- Demonstrable benefit for residents of South Swindon Parish
- Structured budgets and costings for which the grant will be used
- Current unrestricted funds of the applying organisation
- Only one application per organisation, per year
- Increase in sustainability and environmental benefit

Other grants for the Ellendune Community Centre, the Wroughton Churchyard and Wroughton Carnival will be considered as part of the budget process. These organisations will be required to provide a copy of their signed, certified and audited accounts for the last year and their budget for the current year prior to their grants being considered.
