Desktop quote only. |

**Additional overall cost:****Hickmans Electrical quote which was agreed at CA&OS January meeting:**

Electrical works to supply and installation of 5 x 13 amp spurs for each roller shutter at the Maunsell Way Pavilion:

To supply and install a dedicated circuit feeding the roller door spurs which we allow to run through the loft space and then drop down in surface trunking to a surface mounted fused spur at each shutter.

**£758 EXCL VAT**

**Recommendation of the Clerk:**

- 1) To proceed with new security roller shutters for the front three windows only at the Maunsell Way Pavilion (as shown in below image)**
- 2) Proceed with BGS Intelligent Door Solutions as they have carried out a site visit and have included all installation and removal costs within quote.**
- 3) Agree to delegate approval to the Clerk and the Chair of the Committee to proceed with arrangements once the final, revised quote is received. (Est £7,000).**
