Good morning everyone,

Thank you for attending the second BNG session we held last week. We hope it was helpful to get you thinking about the process to set up habitat banks and register BNG sites on the national BNG register.

Attached are the slides we shared, and here is a link to the session recording: [Recap: BNG workshop \(2\) with Swindon Parish Councillors 29 January | Meeting | Microsoft Teams](#)

Subject: Invitation to Biodiversity Net Gain (BNG) workshop 1 of 2 with Wiltshire Wildlife Trust

Good morning!

The Nature Recovery team at Wiltshire Wildlife Trust are pleased to invite you to the first of two Biodiversity Net Gain (BNG) workshop sessions we are providing to the Swindon Parish Councils.

What: Biodiversity Net Gain (BNG) workshop 1 of 2

When: Thursday 11th December at 9.30am

Where: Microsoft Teams (via the link on the Eventbrite page shared below, under 'Location')

This first session will provide an overview of what BNG is, why it matters, and how it affects local planning decisions. This aims to set the stage for a follow-up workshop in the New Year where we will explore how parish councils can begin identifying suitable sites for potential habitat banks to support local BNG delivery. If you would like to attend the first session, please register via the Eventbrite link below. Details of the second session will be released shortly.

Please note that this is a private event for Swindon Parish councillors, so please do not share the link unless it is to a Parish Councillor who should be in this email chain but has been mistakenly missed.

Thank you,

Fern Kenyon-Hamp
