

SCG – Broadband for Unit 1.

Thanks Zoe

Options are a little limited there

We can install a standard broadband connection around 11Mbps download speed

Rental = £41.13 per month

Connection = £48.46

Includes a managed Wi-Fi router

Term 36 months

We can also provide an engineer to install your router for you if required - £170.00

Many thanks

Adam

Current Situation: The workshop at Unit 1 currently has no Wi-Fi or broadband connection. The Grounds Team's tablet is currently using a Vodafone mobile connection.

Proposed Solution: SCG South West can install a standard broadband connection with an approximate download speed of 11 Mbps.

- **Monthly rental:** £41.13
- **Connection fee:** £48.46
- **Contract term:** 36 months
- **Includes:** Managed Wi-Fi router
- **Optional:** Engineer installation for router setup – £170.00
- Provides a permanent broadband/Wi-Fi connection to the workshop.

Would allow the Parish Council to cancel the existing Vodafone connection currently used for the Grounds Team tablet, potentially reducing costs.

Considerations: Broadband options for this location are limited, and this represents the standard connection available for Unit 1

Hi Zoe

Do you have the full address for me?

Many thanks

Adam
