Agenda Item 10 – Request for a New Bin on Foxham Way

Purpose of the Report

Members are required to:

1. **NOTE** the report and **CONSIDER** the recommendation

Overview

A resident has requested a new bin be placed by the bus stops on Foxham Way, just before the mini roundabout at Mill Lane.

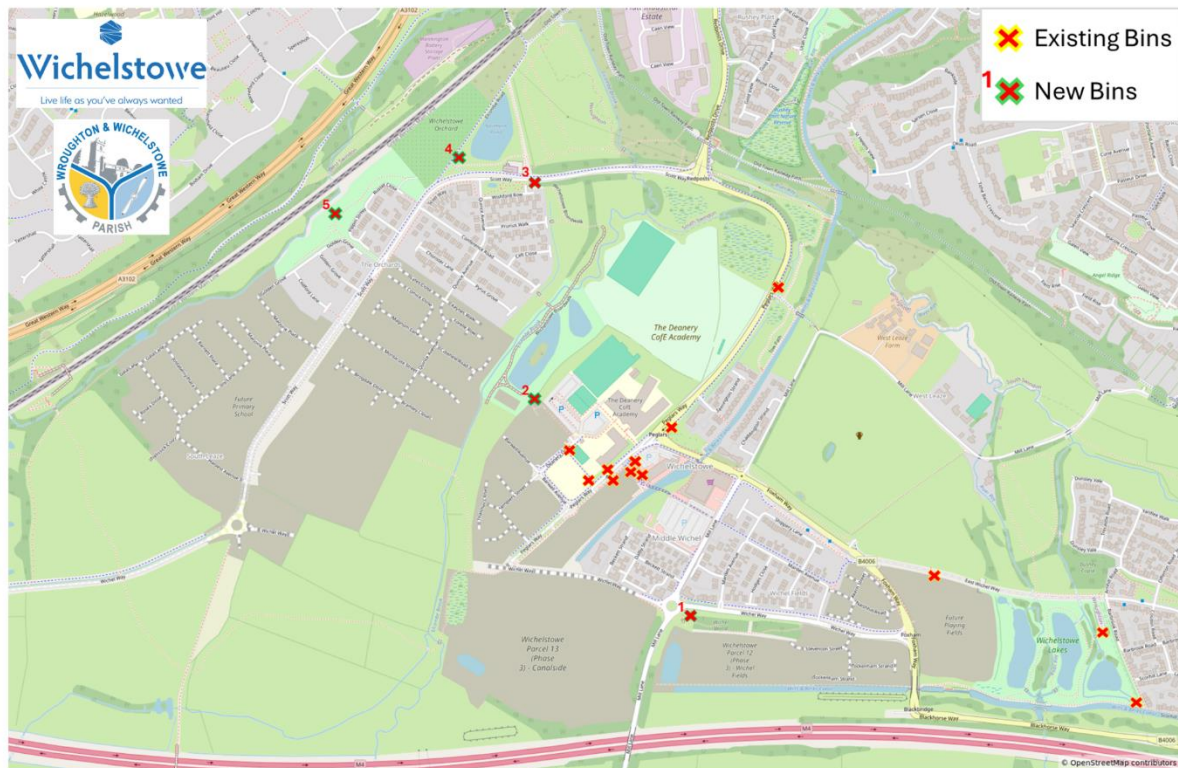

The proposed location is here:

At a meeting of the CA&OS Committee in March 2025, members agreed to a request from the Wichelstowe Project Team to take on the responsibility for maintaining and emptying five additional Gladstone 100 litre black and gold combined litter and dog waste bins, which the Wichelstowe Project Team would purchase and install.

These bins are located at Wichel Wood (1), Boardwalk – Central (2), Boardwalk – North (3), Northern Pond (4) and Green Street West (5).

An up to date map of the bins in Wichelstowe is here:

Proposed New Bin

A similar new 100 litre combined litter and dog poo bin is the Glasdon Jubilee:

It costs £406.80 (inc. VAT) and comes with free delivery. If purchased by the parish council, the bin will be emptied and maintained by the council's grounds team. There will also be installation costs. The parish estimates as a standard £250 (includes labour materials).

If the committee wishes to proceed, the parish will need to acquire the relevant approvals from SBC.

Recommendations

1. To **CONSIDER** the above report and existing bin provision in the area, as referenced in the map
2. To **APPROVE** or **REJECT** the request for a new bin on Foxham Way. If approved, funds will be used from general reserves (**Budget Code 4695450**).
