MEMO14300. Blayden Close tree growth issue related to possible building damage concerns. Current status will be pruned but issue on possible house damage may result in tree removal, currently ongoing.

MEMO14311 Wharf road at junction with Maunsell Way traffic exiting village The road has dipped and sunken, reported to council , they have issued a reinstate road surface notice to Thames Water for repair. Currently outstanding .

MEMO14356. Green waste not being collected from resident . Waiting action notice from council. Started in May still outstanding. Continually trying to get answers on issue.

MEMO14289. Coronation Road garages area – resident unhappy about area in front of garages which have become a bit shabby, and the area looks tired, weeds and trees need tidying – first reported as a FLY TIP issue, but not actually rubbish dumped more of accumulation over time. Waiting visit currently delayed by SBC.

Waitrose tree and lighting issues still investigating no reply as per my visit – actioned SBC for advice on matters.

Wichelstowe resident asking for help to obtain Annual review form for Homebid, Autistic son, issues with him receiving by email and online access. Requesting form be mailed but not getting reply from SBC.

Current status new today but emailed SBC reference this matter. Ongoing.

Lots of mails from residents on Marlborough road and Brimble Hill also asking for speed restrictions on Hill, footpaths an issue not allowing children to pass lights as the traffic is almost parked on the small path that is available.

Cllr Martin Barrett.
