Subject: Wichelstowe Phase 12

Good afternoon Councillors,

We have been notified by Wichelstowe LLP regarding a Street Naming and Numbering application for PA S/RES/23/1530 – Wichelstowe Phase 12.

Could you please consult and provide your suggestions for street names for this development and pass this on to any other Ward or Parish members who should be involved in the consultation.

Please see the attached layout and location plan. There are potentially one or two new streets requiring names.

The developer has suggested the street names **Dunnington** and **Ardington**. I have asked for further information on the origin of these names and will share this once received.

I would be grateful if you could send me your collective suggestions by Tuesday 4 August 2026, at which point I will review them and confirm the approved street names with Wichelstowe LLP.

If you have any questions, please let me know.

Kind regards,

Lean Padilla - Blackman
