Subject: Full Council on Monday

Subject: Ward Updates: Brimble Hill Traffic, Infrastructure Disputes, and Severe ASB at Willow Walk

Brimble Hill

Residents report that the current positioning of the traffic lights makes it impossible to see if oncoming vehicles have run a red light. Additionally, traffic cones in the area are consistently being knocked down.

Footpath Maintenance:

Following the recent accident, the footpath requires clearing. SBC is currently disputing responsibility, claiming it falls to the Parish. I request clarification on this urgently.

Marlborough Road Upcoming Closure Resident Communication:

Residents have not received adequate information regarding access or how bin and recycling collections will be managed during the closure.

Wall Works:

I have reached out to the Cabinet Member to request that necessary wall repairs be completed concurrently with the road closure to minimize future disruption. I am currently awaiting a response.

Waste Management

The Orchards: Green bin collections have been missed for multiple properties in this area.

Severe Anti-Social Behaviour at Willow Walk (Sanctuary Housing)

Three separate residents have reported severe harassment and intimidation by a fellow tenants. Incidents include a physical threat to punch an elderly resident, aggressive wall-banging, strict demands dictating when a neighbour can use her kitchen, and invasive camera surveillance. The situation has escalated to continuous visual harassment (peering through windows) and front door/window banging, forcing a resident to keep her curtains drawn permanently. The police were called to the property again on July 15th. I am requesting an urgent multi-agency review with Sanctuary Housing to protect these vulnerable residents. This case has also been sent to Danny Kruger and he has contacted the tenants. I am currently experiencing with my SBC email account being blocked, so please reply to this message on my WWPC email or contact me via WhatsApp
