Hello,

Having been in touch before re upgrade kit for our cricket roller as below.

Unfortunately we were unsuccessful with our funding grant application; but may have a new source....

Could you please send me the current costing for the kit.

Best Regards,

Martyn

Good morning,

Thank you for your continued interest.

Please see the attached leaflet which has the kit prices on the 2nd sheet.

This leaflet has more information about rebuilds of S&P's than the price list which was previously sent.

Lead time from order for a kit is about 6 weeks, subject to all components being available.

If you need any more assistance, please let me know.

Kind regards,

Hello,

My name is Martyn Gregory and I am a committee member of Wroughton Wranglers Cricket Club in Wiltshire.

Earlier in the spring I asked for some information and pricing for upgrade kits for our Stothert & Pitt 32rd roller.

We are in the process of getting a large donation from a local company and I am trying to find current pricing and availability.

We will know if we are successful in our bid on 1st October 2025.

Best Regards,

Martyn

Rebuilt **POWEROLL** Stothert & Pitt 32rd roller - factory - price list Feb. 2026

Poweroll is, first and foremost, a proudly British engineering company, established in 1966. As such, the Stothert & Pitt rollers we rebuild are re-engineered to provide many, many more years of reliable service. Parts are remanufactured, modified, redesigned where necessary, and assembled into the rebuilt rollers we supply.

There will probably be less expensive S&P's available, but they are very unlikely to remain in trouble free, active service for the years that we expect every Poweroll rebuilt S&P roller to have.

Re-built – **STOTHERT & PITT 32rd** (32" rolling width). *(In standard specification)*

A refurbished roller fitted with a new Poweroll manufactured, Loncin petrol engine and hydraulic drive kit (economy kit) to replace the original engine and gearbox unit. Full specification for the machine may be seen on our website or in the Poweroll catalogue.

What we do to the original chassis:

- We replace the front roller drum tufnel bushes with a new axle and ball bearing units.
- We dismantle the rear roller drum, replace the bushes with new ball bearings units.
- Replace the rear roller sprocket if we deem there to be less than 10 years of useful working life remaining.
- The steering assembly is dismantled, new parts are fitted as required, slack removed.
- We often fit new chain tension springs and nylon chain tensioners. Other suppliers leave these components off, meaning that any chain adjustment becomes difficult.
- The drive chain will be replaced, if required, this is non-standard chain.
- The front roller drum frame is strengthened as the original is prone to sag or bend after years of use.
- The original seat is replaced with a new seat and mounting bracket.
- Heavily rusted floors are replaced or patched if practical.
- A new steering wheel is fitted if the original is cracked or unserviceable.

To keep the price down, the standard machine will be brush painted with Hammerite type paint or similar. There is the option of grit blast back to bare metal and powder coating.

Prices follow:

Roller and list of optional extras:

Basic, semi rebuilt roller	£5,500.00
Carriage to site, England and Wales	£585.00

Optional extras for your rebuilt Stothert & Pitt roller.

Roller scraper bars	£150.00
Weight upgrades.	
Ballast Block upgrade (280kg)	£325.00
<i>Alternative – but not recommended to have both on the same machine.</i>	
Upgrade to enable water ballast rollers (230kg)	£450.00
Steel plate ballast upgrade (140kg) underfloor	£245.00
Upgrade to premium engine and drive kit	£325.00
Key start engine upgrade – Economy kit	£350.00
Key start engine upgrade – Premium kit	£500.00
Rebuild and replace the handbrake unit	£450.00
Extend the chassis foot well for more legroom	£550.00
Replacement new wrap around engine panels	£350.00
Full grit blast and powder coat of machine.	£700.00
<i>(Instead of a wire brush over and brush paint)</i>	

As an alternative to buying a complete roller – fix your own!

We can supply a replacement propulsion kit for your current Stothert & Pitt 32rd.
These are relatively easy to fit for anyone with reasonable mechanical ability.

~~Choice of the Economy kit with Loncin engine £2,350.00 + delivery + VAT~~

~~Or the Premium kit with Honda engine £2,650.00 + delivery + VAT~~ ✓

~~Key start upgrades Loncin engine + £350 + VAT. Honda engine + £500 + VAT~~

~~Delivery (on a pallet – tail lift drop) £110.00 + VAT~~ ✓

~~These kits do not enable reuse of the Vibro facility.~~

Nearly all other revolving parts for your S&P 32rd are available from us as remanufactured items.

- Note. V.A.T. at current rate to be added to all above prices when applicable.
- 12 months warranty covers all mechanical components and power upgrade kits.
