TOTAL GBP				261.07

Terms

This quote covers the scope of works as outlined above. No deviation from or addition to the scope of works shall be made except on receipt of a written variation request. Prior to commencing any modified or extra work, Gould Property Projects will submit a formal variation quote detailing the cost and time impact. Work on the variation will not begin until the client signs and approves the revised cost in writing.

This quote does not include;

* Decoration

Please note that due to the current fluctuation of the cost of building materials this quote is only valid for 14 days from date of issue.

A deposit of the material cost of the project is required to secure a start date.

A copy of Gould Property Projects certificate of public liability insurance can be provided upon request.

A copy of Gould Property Projects commercial waste carriers licence can be provided upon request.
