Minutes of the meeting held on **Wednesday 14 October 2026**

Present
Cllr Holly Woodward
Cllr Matthew Smith
Cllr John Hewer
Cllr Diane Archer
Cllr Stan Pajak
Cllr Mark Trigg

Emma Freemantle (Clerk)

Public: 6

PH/143 **Apologies**
Cllr Martin Barrett

PH/144 **Declarations of Interest & Applications for Dispensation**
None.

PH/145 **Public Questions (Maximum of 10 minutes)**
The Chair suspended the Standing Orders and moved to the item relating to the Langton Park application appeal.

Residents said they were happy that Swindon Borough Council CEO Sam Mowbray visited the site to aid her understanding of the application, and that SBC's planning enforcement team is involved.

Residents said they pay fees as part of their residents' association, and that the landowner is asking them to pay for road improvements that need to be carried out. But residents feel they shouldn't have to pay because the landowner has damaged the land.

The committee heard that Cllr Matty Courtliff tried to speak to the landowner but the conversation was not productive.

Members agreed to resubmit the committee's initial objections to the planning application and to reiterate Point 3 in the refusal notice, which relates to the species survey.

Cllr MS asked residents to resubmit their initial objections.

ACTION: The Deputy Clerk will draft a response to the appeal based on previous comments and wording contained in the refusal notice.

The Chair continued to suspend the Standing Orders and moved to the item relating to roadworks being carried out on Bakers Road.

Cllr HW gave the committee some background information on the matter and said that flood prevention work that had been carried out recently by SBC at Perry's Lane and The Pitchens ahead of the Bakers Road visit. She welcomed the facts that SBC appeared to be taking action.

She raised concerns about the Environment Agency, Thames Water and SBC possessing out of date maps and said an updated mapping survey needs to be carried out.

She said the Bakers Road work had revealed that 80% of the drain was blocked. She added that the cost of the day's work due to traffic management fees was around £4,500, and confirmed that the Environment Agency is responsible for maintaining the stream on Bakers Road.

In relation to the flooding issues at Perry's Lane, Cllr HW said the problem was the angle of the water and, because of this, SBC had not identified any specific flood prevention measures.

The committee agreed that SBC's Cabinet member for Highways, Cllr Nick Gardner, should be involved in future flood related discussions.

The Chair reinstated the Standing Orders.

PH/146 **Minutes**

The committee **APPROVED** the minutes of the meeting held on Wednesday 30 September 2026. All Agreed.

PH/147 **Updates from the Committee Chair**

Cllr HW informed the committee about the upcoming meeting with the Wiltshire and Swindon Road Safety Partnership on Tuesday 3 November and said that SBC will be relooking at the Brimble Hill wall in the coming weeks through the appointment of a new project manager.

PH/148 **Actions from the Previous Meeting**
