Paragraph Number	3.59–3.61	Policy Number and Name	Policy SDA12: Land at Wroughton	Policies Map (Section or layer)	

4. Do you consider the Local Plan is:

4.(1) Legally compliant	Yes		No	✓
4.(2) Sound	Yes		No	✓

Representations should focus on whether the emerging Plan is legally complaint and sound in accordance with paragraph 36 of the 2024 NPPF. This means assessing whether it has been positively prepared, is robustly justified and evidence led, is effective, and is consistent with national planning policy.

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan please also use this box to set out your comments.

While the Local Plan contains policies for individual developments in Wroughton, it lacks a comprehensive masterplan for how Wroughton should develop as a whole.

The Local Plan has a borough-wide spatial strategy and a Wroughton-specific development policy. But these do not amount to a detailed masterplan showing how Wroughton should evolve over the next two decades. Policy SD1 requires comprehensive master planning, including coordination between different development parcels and landowners. But no such master planning exists for Wroughton.

This risks Wroughton's current allocations, as well as any future planning applications that come forward, not being considered as a whole.

A coordinated approach is particularly important given the cumulative implications of development for highways, education, healthcare, community infrastructure, green spaces, heritage and the village's distinctive rural identity.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Policy SDA12 be strengthened to require an overarching master planning framework for Wroughton, developed in consultation with Wroughton and Wichelstowe Parish Council and the local community, which addresses the relationship between allocated development sites and the existing settlement.

This framework should identify strategic infrastructure requirements, movement networks, environmental constraints, opportunities for improvements to existing community facilities, and the phasing of development and supporting infrastructure.

Such an approach would provide greater certainty that future development will contribute to a coherent and sustainable long-term vision for Wroughton.

Please note, in your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

☑	**No**, I do not wish to participate in hearing session(s)	☐	**Yes**, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note *the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.*

9. Do you wish to receive notifications about the progress of the Local Plan, including future consultation updates, submission of the Plan for examination and adoption of the Plan?
